

■ **Reference:**

On May 26, 2019, the Annual Conference for the sixth year of graduates was held. The students showcased their 10 months of learning with wonderful teamwork. The students, who have grown tremendously over this short period of time, amazed the audience and started their journey to become the next generation of leaders.

The sixth year graduates / graduation

The group presentation winning team with Eric Clurfain, Chairman, President and CEO of MetLife Japan

■ **TMWLP sixth year students' journey (September 2018 – May 2019)**

**Session 1: September 2018**

Full of excitement, students and mentors meet for the first time.

**Mentoring**

Mentoring is key to supporting the growth of both students and mentors.

**Session 5: February 2019**

Teams of students from different cities, grades, and with different levels of English work together to prepare for the U.S Trip.

**U.S. Trip: March 2019**

Applying newfound skills in a global environment. A fulfilling week full of learning experiences through visits to innovative companies and engaging in community service.
